PROFESSIONAL SUMMARY

Full Stack Developer with a genuine, self-driven interest in cybersecurity. Practical experience implementing authentication, access control, and secure API design in real applications, along with working knowledge of Python for scripting and automation. Fast learner with strong technical fundamentals, looking to move from self-study into hands-on, mentored experience in VAPT, threat analysis, and security tooling.

RELEVANT SKILLS

Security-Adjacent: JWT Authentication, Role-Based Access Control, secure REST API design, self-study in ethical hacking & threat analysis fundamentals

Programming: Python, JavaScript, HTML5, CSS3

Web & APIs: React.js, Node.js, Express.js, REST APIs, MongoDB

Documentation & Analysis: Technical documentation, structured problem-solving, attention to detail

Tools: Git, GitHub, Postman

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern | Walrus Solutions Pvt Ltd | Indore

Feb 2026 – Mar 2026

- Integrated and tested REST APIs, paying close attention to request/response handling and data validation to reduce vulnerabilities.
- Collaborated with backend teams on application functionality, developing an understanding of how access and data flow across a live system.

MERN Stack Developer Intern | Anantixia LLP | Gurugram

Nov 2025 – Jan 2026

- Built and integrated APIs for a live school services platform, working with real user data and access considerations.
- Documented components and processes clearly, supporting consistent, traceable work across the team.

PROJECTS

Tender Management Web Application | MERN Stack

- Designed and implemented JWT-based authentication and role-based access control across 25+ REST APIs, directly applying core access-control and authentication security principles.
- Tested API endpoints for correct authorization behavior to ensure users could only access permitted data and actions.

Company Website – TechSolve | React.js, Tailwind CSS

- Built a fully responsive company website, optimized for consistent behavior and presentation across screen sizes.

EDUCATION

Master of Computer Applications (MCA) — RGPV University, Bhopal | 2024

Bachelor of Science (B.Sc.) — Barkatullah University, Bhopal | 2019

ACHIEVEMENTS

- Cleared TCS NQT 2025 (National Qualifier Test).
